

A night-time photograph of the Nashville skyline. The most prominent building is the AT&T Building, with its two spires illuminated. Other skyscrapers and older brick buildings are also lit up. The lights from the buildings and streetlights are reflected in the water in the foreground, creating a colorful, shimmering effect. The sky is dark, making the city lights stand out.

Sponsorship Opportunities

Sponsorship Package

The Tennessee Bar Association will return to Nashville's Sheraton Music City hotel this summer for its 2016 annual convention. We're celebrating Nashville's status as Music City by offering convention sponsors and exhibitors the opportunity to choose from a variety of music genres to take part in the largest annual gathering of the Tennessee legal community.

The TBA convention this year again coincides with the Tennessee Judicial Conference's annual meeting, providing you the opportunity to promote your services to more than 200 TBA members, as well as an additional 170 judges. All meetings and educational programming will take place at the Sheraton Music City, so you will have great visibility and ready access to all attendees throughout the three-day event.

All sponsors will receive the following:

- One 6' skirted table, two chairs in exhibit hall
- Company logo, 25-word company description and link to your company website for six months on TBA.org
- Company logo on sponsor page of convention brochure and registration poster
- Post-conference registration list
