Docket No. 17P1972

**ORDER GRANTING AMENDED MOTION TO EXPAND ADMINISTRATOR  
AD LITEM'S AUTHORITY**

---

This matter came before the Court on the Amended Motion to Expand Administrator *Ad Litem's* Authority (the "Amended Motion") filed by Stanley B. Schneider, Interim Administrator *ad Litem* of the Estate of Glen Travis Campbell. On July 16, 2018, this Court held a hearing on the Amended Motion. Based upon the parties' filings, the arguments of counsel, the testimony of Stanley B. Schneider, and the entire record in this cause,

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that:

1. The Administrator *ad Litem's* authority to administer the Estate of Glen Travis Campbell (the "Estate") is expanded so that he is specifically empowered to reconcile the bank account owned by Mr. and Mrs. Campbell (the "Joint Account") and the checking account owned by the Estate (the "Estate Account"). In particular, for all transactions after August 8, 2017 (the Decedent's date of death), the Administrator *ad Litem* should complete the following:

- a. As to all income, including but not limited to royalty payments:
  - (i) determine if the asset is community property or separate property; (ii) if the asset is community property, determine what portion of the asset belongs to solely to Mrs.

Campbell and transfer the remaining amount to the Estate Account; (iii) if the asset is separate property, determine if further payment must be made from the property to certain of Mr. Campbell's children pursuant to a divorce decree or settlement agreement; and (iv) transfer any funds between the Joint Account and the Estate Account that are necessary to reflect proper ownership of the asset following the Decedent's date of death.

b. As to all expenses or liabilities: (i) determine if the expense was incurred on behalf of the Estate; (ii) determine if Mrs. Campbell is eligible for reimbursement for the expense; and (iii) transfer any funds between the Joint Account and the Estate Account that are necessary to reflect proper responsibility for the expense following the Decedent's date of death.

After completing this review and reconciliation, the Estate Account should hold only those assets belonging to the Estate.

2. The Administrator *ad Litem*'s authority to administer the Estate is expanded so that he is specifically authorized to procure and retain consultants and advisors regarding the administration of this Estate, appraisers and industry experts to value and appraise assets belonging to the Estate, and accountants to prepare mandatory tax filings for the Estate.

3. The Administrator *ad Litem* is authorized to pay the following specific expenses from the Estate: \$23,699 as a retainer for an appraisal of the prospective royalty payments to the Estate; \$12,640 in memorial and funeral expenses; and \$1,550 in state taxes.

4. The Administrator *ad Litem* is authorized to pay from the Estate the Decedent's income tax liability for 2017, which is estimated to be approximately \$100,000.

5. The Court may authorize the expenditure of additional sums from the Estate, but such requests must be supported by motions and affidavits pursuant to Local Rule 39.14.

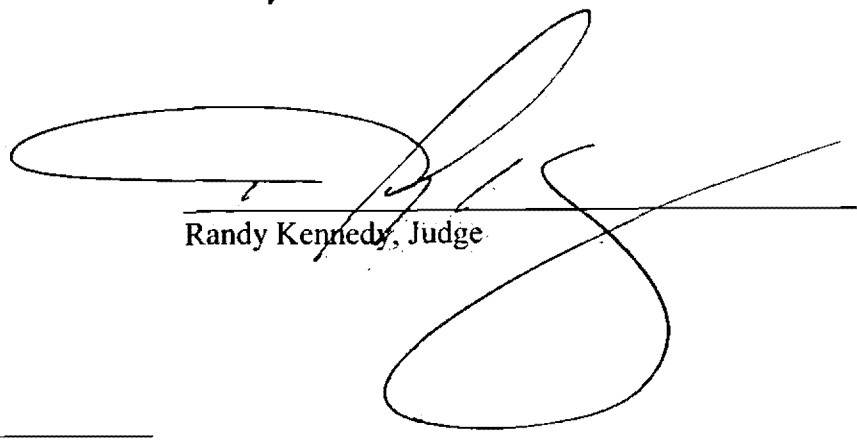

6. The Administrator *ad Litem* shall file an interim accounting reflecting all assets and liabilities of the Estate that will include a distinction between royalties that are solely owned or due and payable to the decedent, those are due and payable for which there's a community property interest in the surviving spouse, and even those that are earmarked as a result of his previous marriage to his prior wife, by November 16, 2018.

7. The Administrator *ad Litem* shall file an updated inventory, if necessary.

8. Unless the amended inventory updates the value of the Decedent's Estate significantly, the Administrator *ad Litem*'s bond need not be reviewed or revised.

9. Requests to be reimbursed for expenses shall be supported by affidavits pursuant to Davidson County Local Rule 39.

Entered this 8 day of August, 2018.
